

Castlegate Owners' Association

P.O. Box 9748
College Station, Texas 77842
Phone: (979) 690-2330 Fax: (979) 690-0330

August 8, 2014.

Accomplishments:

- Addition of picnic tables and trash cans at the park at the pond
- We held our first annual Catch & release fishing tournament at the back pond. The event was a success

We have found many residents using the pavilions and family's fishing in the lake

- Continued Maintenance of runoff issues at Carlisle, Newark & Amberley along the gas easement
- We will have A&M in the community planting 20 new trees in the common areas in October

Challenges:

- Community solicitation
- Ravenstone Loop school drop-off safety Issues
- Traffic at Victoria and HWY 40

Possible Future Projects:

- Walking trail around back lake
- Landscape the Burm along Castlegate Dr across from the park

We would like to also encourage more residence of our community to volunteer, vote, and contact the association if you have concerns, suggestions, or even questions.

We find it very hard to find new volunteers for our events, our board positions, our various committees, and very rarely do we even establish a quorum at these annual meetings due to the lack of attendance.

It's been a pleasure serving the community over the past 2 years
