

Howdy Castlegate Neighbors,

As 2021 is finally drawing to a close and we are getting fully adjusted to what seems like the new normal in the world we live, I want to thank everyone for making Castlegate what it is today.

Over the past year, the HOA Board has done its best to improve our community with a variety of projects, including those listed below.

- Planted eleven 30-gallon Live Oak trees and three 30-gallon Mexican Sycamores at back pond
- Replanted landscape at the Castle
- Installed 2 new eyebrow flowerbeds at back pond
- Stocked back pond
- Replaced the front fountain including LED lighting
- Moved flag poles at the entrance to Castlegate per the road expansion
- Power washed realm signs, and repainted all lettering
- Installed roof cover over recycle pump equipment area

Don't forget to visit our website www.castlegatehoa.com, as this is the primary source for information for the Castlegate community. If you have not done so, please make sure we have current contact information on file for you, especially your email address. By providing your email we can get information out to you quicker than regular mail, and it will also help us keep the cost down for mailouts.

Again, the Board of directors would like to thank all of you for making Castlegate a great place to live! Our community is made better by residents who put forth the effort to maintain their properties, volunteer their time, and offer suggestions for making our community a better place to live. Please email office@hoapartners.net with any questions, comments, or suggestions.

We look forward to seeing each of you in 2022 for yet another great year of community events and meetings.

Best Wishes,

Jared Jones
President of Castlegate HOA Board of Directors.
